Soldiers' Graves-

in

LEVERETT, Mass.

CEMETERIES

Gravestone
Inscriptions

To 1933

This lists all soldiers, or possible soldiers as indicated by the gravestone inscriptions or markers up to 1933 in all the cemeteries + burying grounds that I had knowledge of at the time of copying.

Some graves had markers but no stones.

In all cases, unless otherwise specified all the markers at the soldiers graves were G.A.R. markers, regardless of whether they were in the Civil War, Revolutionary War, or some other war.
